Jordan Foster Awarded Phase II of the Luxury Residences at La Cantera

DALLAS, TEXAS – June 23, 2015 – Jordan Foster Construction was recently awarded Phase II of the Residences at La Cantera, a four-story, Class A multifamily development in San Antonio. Construction is slated to start shortly after July 4th.

The second phase of this luxury development by Loadstar Inc., designed by the architectural firm of Looney Ricks Kiss, will feature 300 one-, two-, and three-bedroom apartments, with an average size of 993 square feet. The entire project encompasses 409,088 gross square feet, with 296,075 net rentable square feet. The apartment building wraps around a 455-space, 180,517-square-foot parking garage, with a resort-style pool and amenities on the sixth level, and a clubhouse on the first floor.

“Thanks to the outstanding job that our project team did on phase one,” said Roy Raines, president of Jordan Foster Construction Dallas, “we were able to transition smoothly into the expansion of this stunning new residential community.”
